UpFiTM

Welcome to UpFi Wallet. Let's get started.

Say goodbye to banking fees and protect your personal information when making on-line purchases. Our state-of-the-art payment management system was originally created for the Department of Defense and has now been repurposed to simplify and reduce costs of moving money to family and friends living anywhere in the world.

UpFi's mobile wallet is the equivalent of a virtual savings account paying out interest at 3.0% APR and our integrated VISA debit card acts as a virtual checking account.

Our mobile wallet and debit card system uses two separate account balances to maximize security and protect your financial assets.

We've built a very powerful suite of financial services which allows you to securely and cost efficiently manage your money all using your mobile devices. Move money to family and friends anywhere in the world in real time and for even for FREE.

We're so glad you've joined our mobile banking revolution!

Mobile Application

UpFi Wallet has built an iPhone and Android App. Our Mobile Apps allows you to untether yourself from your computer and securely manage your money anytime and anywhere in the world.

Desktop Web Portal

The UpFi wallet customer self-care portal website provides you full access to all of our Mobile Wallet & Debit Card functionality and all with a secure desktop connection. For customers who prefer a bigger screen, our self-care portal will quickly and securely allow you to manage your money.

MOBILE WALLET

There are multiple ways to send money within the UpFi wallet platform.

When sending money internationally, there are different options available to you. Some options are even FREE of charge.

Select the country you wish to send money to and the system will help you find the most cost efficient way using our proprietary payment gateways.

UpFi wallet customers can now add money to any prepaid wireless phone account around the world. Navigate to Mobile Wallet> Mobile Recharge and successfully send money to virtually any wireless carrier around the world (4 billion phones in over 140 countries). Funds are delivered usually same day and for FREE.

Send money with any of the payment options from your computer or mobile device.

Our mobile wallet makes it easy to request funds from individuals or groups (great for splitting bills).

Our customer portal will guide you through the process every step of the way wherever you are.

Assign and manage nicknames for the people you send money to the most to make it even easier and quicker to send funds.

Request & Send Funds Using QR Code:

Each UpFi customer has their own unique QR code. You can request and send funds using this QR code. You can even use this QR code to collect funds as a merchant providing you a FREE and real time way to collect money for your goods and services.

Load money to your mobile wallet account via your U.S. or international bank account, a credit card, or at over 500,000 locations world-wide.

Manage your linked accounts including bank accounts, credit cards, and even your UpFi Visa debit card.

Load Money at Bank Teller & Mobile Check Deposit

You can load funds to your UpFi mobile wallet account at any participating bank including (Chase, Wells Fargo, and Bank of America). Go to Mobile Wallet Load Funds> Bank Teller Load and fill out a deposit slip as per the directions and present that to a bank teller to complete the deposit. Please keep your receipt. Cash deposits will be loaded and available in your mobile wallet the same day. Check deposits will not be available on your mobile wallet account for 3-4 banking days.

UpFi also allows you to withdraw cash from your mobile wallet account at select ATMs without using a debit card. The cardless ATM withdrawals have lower ATM fees than more traditional debit card ATM withdrawals. You can locate these specialized ATMs that are equipped with cardless withdrawal in the data app by navigating to the Mobile Wallet> Retrieve Funds ATM where you will be prompted to request an authorization code and view ATM cardless withdrawal locations.

ATM Cash Load / Withdrawal

UpFi allows you to load funds onto your mobile wallet account at thousands of participating ATMs without using a debit card. You can locate these specialized ATMs that are equipped to load cash by navigating to Mobile Wallet / Load Funds ATM in the data app. You then simply request an authorization code, select your preferred ATM location, and you then have up to 1 hour to use your code at the selected ATM. Once you reach the ATM machine, simply press the cardless transaction option to begin the process. You will then enter your mobile number and the code that you received. The ATM will prompt you to insert your funds and confirm the amount. The funds will then be immediately added to your mobile wallet account.

Bill Payment

UpFi customers can now pay bills from funds on their mobile wallet account. You simply navigate to the Mobile Wallet> Bill Payment Screen. Setting up domestic bill payments is fast and secure and provides access to over 15,000+ billers. You simply select the biller you wish to pay and your bill payment can be processed the same day, next day, or as a standard delivery option.

Load Money via Personal Loans

UpFi Wallet has integrated into multiple banks to create a consortium of lenders so you can quickly and easily apply for a loan or financing for purchases in our proprietary "Marketplace".

- ✓ Low interest personal micro loans
- ✓ Buy now pay later financing for consumer purchases including cellular phones
- ✓ Personal installments ranging from 6 - 24 months
- ✓ Loans vary from \$500 to \$10,000+
- ✓ Real time approvals
- ✓ Funds are added to your debit card or mobile wallet account

Spend IT at Retail Stores

UpFi has also added functionality to allow you to purchase goods and services using the funds on your mobile wallet account at participating retail merchants throughout the United States. You can complete these types of purchases at select merchant retail locations by selecting Mobile Wallet>Send Money>Pay Merchant Account.

Load Money at Retail Stores

UpFi has implemented a program that enables you to load funds onto your mobile wallet account at over 80,000 merchant retail locations throughout the United States. You can locate these select retail stores by clicking Load Cash at Retail Stores in the data app Load Money Screen and the app will list all the available locations closest to the entered zip code. You will be charged a cash load fee of only \$2.95 for any load amount when you load money at these select retail store locations. You will receive a barcode which you will need to present at the store. The barcode will expire in 1 hour and all funds will be loaded to your mobile wallet account in real-time. Funds are loaded directly to your mobile wallet account.

VISA DEBIT CARD

Your UpFi FDIC Virtual Visa Debit Card can be used for online purchases while the majority of your money stays safe and secure in your mobile wallet. Only add funds to your virtual debit card when you want to purchase products and services online. To avoid potential credit card fraud, keep your balance as close to \$0 as you can.

Add an optional physical VISA debit card to allow you access to your money via ATM's around the world and use your card anywhere VISA is accepted. Only keep the money you need on your debit card and again keep the rest of your money safe and secure in your mobile wallet account earning 3% APR.

Add up to 5 optional personalized companion cards for friends or loved ones – anywhere in the world. Easily move money to your companion cards in real-time and for FREE.

Send money from your UpFi mobile wallet account to your UpFi debit card and back in real time and for FREE. Again, only keep the funds you need on your debit card to better optimize the security of your money.

Load money directly to your UpFi debit card from your employer, bank account, bank teller load at participating banks, or even load funds from over 500,000 retail locations around the world.

ACCOUNT MANAGEMENT

UpFi customers can refer family and friends to open a UpFi wallet account. You can send an email or text message to friends or family, so they can quickly and easily sign up for a mobile wallet account.

If you try to send funds or request funds from a mobile number that is not registered in our system, then we will automatically send an SMS link to that mobile number so they can sign up for a mobile wallet account.

Managing your UpFi account is convenient both via our mobile app or desktop web portal. Update your address, create and check your support tickets, manage security settings, verify micro transactions, access PIN management, refer a friend, and even suspend your mobile wallet or debit card account in real time.

Mobile wallet users can easily add a profile picture by choosing an existing photo from your phone or by taking a new picture. By adding a profile picture, it can help other mobile wallet users verify your identity.
